

## Friday 3<sup>rd</sup> July Year 3 Home Learning

### 1. Physical Activity:

This is our last Yorkshire Sport PE lesson, I hope you have found them useful and adapted the activities to fit your home and outdoor space. Today's lesson is about orienteering.

[https://www.youtube.com/watch?v=NCjNvdHzGc0&list=PLYGRaluWWT0jV3An2WEgsQ4qGFy\\_91jDL&index=26](https://www.youtube.com/watch?v=NCjNvdHzGc0&list=PLYGRaluWWT0jV3An2WEgsQ4qGFy_91jDL&index=26)

### 2. English L.F- to use key features to write a newspaper report.

Click on the link below to access the Oak National Academy on line lesson.

<https://classroom.thenational.academy/lessons/to-use-key-features-in-order-to-write-own-composition-2042b6>

A newspaper report should tell you **WHAT** happened, **WHEN** it happened, **WHERE** it happened, **WHO** it happened to and **WHY** it happened. These are the five **W**'s - **W**hat **W**hen **W**here **W**ho **W**hy.

If you are unable to log on, choose a report from the list and write it out in your own words so that the newspaper report includes all the 5 **W**'s. Use your imagination to fill in the missing facts.

A peacock has been seen flying over Adnitt Road. It was reported missing from Abington Park last week. It has created a lot of excitement around the Abington area.
Jane and Ross are heroes to 84 year old Mrs. Bennett. "They saved my life," she said from her hospital bed.
Dave thinks that there really is a monster living in Northampton. He has seen strange dark monster shapes near the River Nene.

Spellings - Try to do your test today.

List One

most one his she both plant fast pull where gold

List Two

science fascinate scene fascinate descend discipline scissors

Task 3 Maths

Friday's Maths Lesson

Make sure you practise your times tables and maths skills for 10 minutes every day using Sumdog and TT Rockstars

<https://pages.sumdog.com/> <https://ttrockstars.com/>

L.F - Compare capacity

**White Rose Maths**

**Compare capacity**

1 Put these glasses in order of the amount of water they contain. Start with the least amount of water.

A B C D

least most

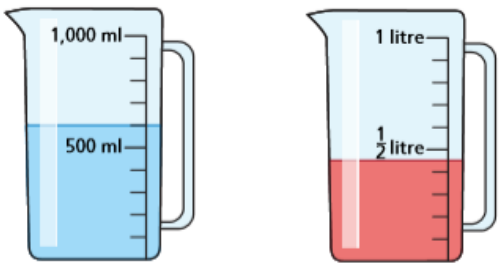

2 In each pair, circle the object that holds the most water.

a)  kettle  bath

b)  swimming pool  fish tank

c)  tablespoon  mug

3 Here are two jugs.

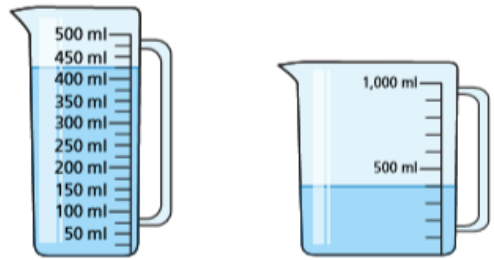

A B

a) What is the volume of liquid in jug A?  ml

b) What is the volume of liquid in jug B?  ml

c) How do you know that the capacity of each jug is the same?

4 Which measuring container has the most liquid?

A B

Container \_\_\_\_\_ has the most liquid.

Explain your answer.

5

300 ml is greater than 1 litre because 300 is greater than 1

Do you agree with Alex? \_\_\_\_\_

Explain your answer.

6

Here is the capacity of four different containers.

A

400 ml

B

99 ml

C

3 litres 400 ml

D

2 litres

Put the containers in order of capacity.

Start with the smallest capacity.

least

most

7

Esther is comparing the capacity of different containers.

a) Esther has two bottles of water.

She pours them into some glasses.

Which holds more water – a bottle or a glass? \_\_\_\_\_

b) Esther has two more bottles of water.

She pours them into two jugs.

Which holds more water – a jug or a bottle? \_\_\_\_\_

8

Jack has three jugs of water.

He pours one jug of water into a large container.

He then pours the other jugs of water in.

Draw a line on the container to show where the water will reach.
