

Y4 Home Learning

Monday 23rd March 2020

Each day we will set out home learning tasks for your child, these will cover different areas of the curriculum and will revisit much of the learning that the children have already covered in their lessons as well as introducing some new learning and activities.

Task 1 English-Using <http://www.pobble365.com/> for today's date talk to someone about the questions asked. Complete a diary entry in your home learning exercise book, then also complete the sentence challenge and sick sentence.
