### Task 1 English –

#### Description challenge

Can you make a list of synonyms for the word 'looked'?

Can you improve this sentences using one of them?

The girls looked out of the window.

Can you improve the sentence in any other ways?

#### Finish the story

The girls huddled together and peered cautiously out of their bedroom window. They had been awoken, just moments earlier, by a strange light that burst through their curtains, filling the room with a silvery, white hue.

As one, they had tip-toed towards the source of the distraction, carefully dragging chairs across the room with them so that they could take a peek together. They stared in awe and wonder, and the sight that met their eyes. Something magical was happening...

### Task 3 – Reading

Either read your book, select an e-book from Oxford Owl or Bug Club and read for at least 20 minutes.
