Task 1 English - Please read and replace with appropriate, engaging vocabulary.

Beowulf spoke up then, opening his heart honestly to the Watchman.

'We have come here from my lord Hygelac, King of the Geats, your ally and your land. All the world knows the misfortune that has befallen this land, of that maraudingGrendel and his murderouss. We have come to destroy him if we can. So lead us to Hrothgar, the great and guardian of his people. Take us to Heorot, at the heart of his kingdom, and take us there as fast as There is no time to

So in war-dress of chainmail shirts, carrying theirshen spears and great shields, Beowulf and his warriors left their ship anchored fast andinland their helmets bright, in the afternoon sun; strong helmets and which would surely protect them against any enemy, or so they thought!

Task 2 – Handwriting

B Trace and copy these words. Underline the suffix *ible* or *ibly*.

incredible
incredibly
possible
possibly

Task 3 – Reading

Either read your book, select an e-book from Oxford Owl or Bug Club and read for at least 20 minutes.

Maths

Use the numbers in the cloud to form fractions equivalent to:

a) $\frac{3}{4}$

b) $\frac{4}{5}$

c) $\frac{2}{7}$

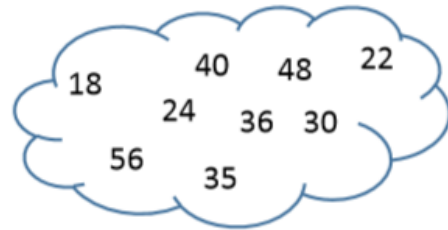

Same again, but this time there are some extra numbers in the cloud that you do not need.

a) $\frac{2}{3}$

b) $\frac{5}{6}$

c) $\frac{5}{8}$

Challenge

Find a fraction equivalent to $\frac{4}{9}$ in which the sum of the numerator and denominator is 156.

Find a fraction equivalent to $\frac{5}{7}$ in which the product of the numerator and denominator is 875.

Task 4 - Art

To fit in with our Anglo-Saxon legend of 'Beowulf' this week we are going to learn how to draw a longboat which Beowulf would have arrived on!
