#### English

#### Finish the story

There is no better feeling in the world than being up here” the pilot thought to himself. He pressed a series of buttons, ensuring the aircraft was on the right course, and sat back in his seat to enjoy the view. The sight that met his eyes never ceased to amaze him, no matter how many times he had done this flight...

#### Reading

Either read your book, select an e-book from Oxford Owl or Bug Club and read for at least 20 minutes.

#### Question time!

Have you ever been on a plane? If so, can you describe what it feels like?

If you have not, can you use your imagination to describe what it might be like?

What other modes of transport have you been on? Which was your favourite/least favourite?

Is there a mode of transport you would like to experience in the future?

How do you think the world was different before flying was invented?

How do you think transport will change in the future?

**SPaG**

Verbs are action/doing words.

Which sentence(s) contains two verbs?

The plane roared across the sky.

The pilot took a deep breath and pushed down on the throttle.

He glanced around him at the beautiful view.

The sun shone brightly at him and he squinted back at it.

Maths

The children of Dove Primary School have their sports day today. They are all really excited!
