Task 1

English -

Question time!

How important is technology to you?

How does technology affect our lives?

What are the 5 most important pieces of technology, in your opinion?

How would life be different without technology?

Does technology make you happy?

What does happiness mean? What really makes you happy?

If you could take a pill that would make you happy 100% of the time, would you take it?

Finish this story.

Imagine all of the technology in the world suddenly broke. How would you manage without ANY technology? Can you make a list of all the technology you use on a daily basis?

Writing ideas (Remember you can use a Pobble genre checklist and model texts)

Write instructions about how to survive a day without technology.

Write a diary entry about your normal day, but think of alternative activities to replace the ones that require technology.

Write a letter to a child living in Tudor England, describing to them the technology we have today and how we use it. You could even write a response!

Write a balanced argument about whether technology is good or bad for us.

.

Sick sentences!

These sentences are 'sick' and need your help to get better. Can you help?

Technology is good. Its good because its fun. But it is also bad? Some people say its bad for you.

Task 2 – Reading

Either read your book, select an e-book from Oxford Owl or Bug Club and read for at least 20 minutes.

6 Money Problems

Your challenge:

- Which combination of coins and notes can you use to make a total?

What to do:

1. Find an old receipt for some shopping (you may need to ask an adult for this).
2. Imagine you are paying for the total on your receipt with notes and coins. How many different combinations of notes and coins could you use to pay the total exactly (not over or under).
3. On a piece of paper, stick the receipt in the middle. Around the receipt write the different combinations you could use.
4. Be creative - could you draw the coins and notes to make sure they make the correct total?

You will need:

- A receipt
- A piece of plain paper
- Colouring pencils or crayons
