Task 1

English -

Question time!

Can you describe what it feels like to be caught in a storm?

What do you think the men heard when they listened to the storm?

Who might the men in the lighthouse be?

Why are they huddled together?

What is the purpose of a lighthouse?

What would happen if there were no lighthouses in the world?

How do you think someone first invented lighthouses?

Finish this Diary entry.

The storm had been raging for hours.

Like a besieging army tormenting an enemy's ramparts, the waves battered on the lighthouse walls.

A group of men huddled in one of the cylindrical shaped rooms, flinching every time a wave rocked the lighthouse. Their hearts were in their mouths with every devastating blow: they half expected the walls to come tumbling down at any moment.

Task 2 – Reading

Either read your book, select an e-book from Oxford Owl or Bug Club and read for at least 20 minutes.
