#### Task 1

English -

#### Finish this Diary entry.

The scroll had arrived; carrying the news he had been dreading. Patiently, the messenger beat his wings, hovering, waiting for further orders.

He took a moment for the news to sink in. The time for talking was over.

He felt a knot of fear in his stomach, but this fear was a good sign. Fear meant he was alert. Fear meant his mind was sharp.

As he stepped forward boldly, a sign of his confidence in his own strength, bright rays of morning sunlight glistened and danced across his midnight black armour. Honour, loyalty, courage: these were the values of the samurai, and they meant more to him than anything.

It was time...
