Task 1

English -

Question time!

If you lived here how would life be different?

It is thought that one day it may be possible to live in on another planet. What do you think about this?

Is it a good idea? Why do you think humans are looking for ways to live in space or on another planet?

How does gravity work? How do we overcome gravity?

If living in space, how would you manage to do everyday things like brushing your teeth?

Finish this Diary entry.

Dear diary,

It has now been 2 years since we moved here. Leaving Earth was tough, but we are beginning to feel more at home with every single week that passes.

When we came to our new home, we were allowed to bring everything with us from our Earth homes. It still feels a bit strange though. Life without gravity really takes some getting used to!

Task 2 – Reading

Either read your book, select an e-book from Oxford Owl or Bug Club and read for at least 20 minutes.
