To identify and apply time adverbials.

- How many time adverbials can you think of?
- Create a list.
- Let's see if we can watch and learn some more to add to the list.

Two friends have arranged to meet at the park.

Who is correct? Explain how you know.

It takes me 20 minutes to walk to the park. I set off at 2:35 p.m. I will arrive at the park first.

Jack

It takes me 35 minutes to walk to the park. I set off at 2:15 p.m. I will arrive at the park first.

Simone

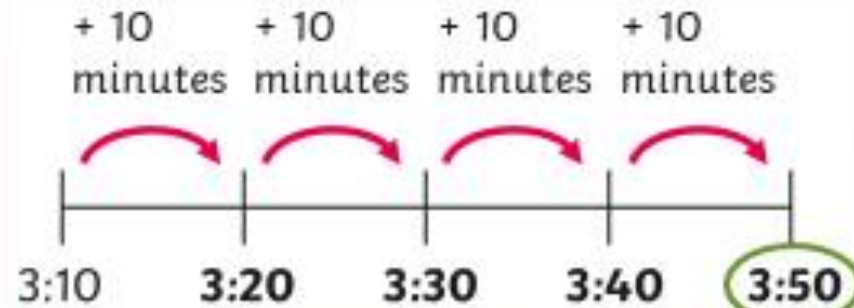

Cara is watching a film. She looks at the clock as it begins.

If the film lasts 40 minutes,
what time will it end?

A number line will help to calculate
the end time.

3:50 is the time the film will end.
