

## Year 3 Learning Overview Autumn 2 Term 2019

### **English**

We will be using our Stone Age knowledge to support us in writing instruction texts using imperative verbs and conjunctions of time. We will be writing diary entries, learning about the past tense. We will then be writing and performing poetry with a Stone Age theme. In spelling we will be working on suffixes.

### **Music**

This term we are learning samba drums. We will showcase our learning in a drumming concert on Tuesday 3<sup>rd</sup> December.

### **RE**

Throughout the autumn term we are learning about Peace across key religions. Then in December we will learn The Christmas Story.

### **Important Information / dates**

- Our PE and swimming day is Friday.
- Homework is handed out on a Friday and needs to be returned the following Wednesday.
- Spellings will be tested on a Friday.
- Parents Evenings will take place 19<sup>th</sup> and 20<sup>th</sup> November.

## Our theme this term is... The Stone Age

### **PSHE**

We are learning about friendships and bullying, we will be exploring these ideas through discussion and roleplay.

### **PE**

This term in PE we are going to be practising our ball skills and improving our hand/eye co-ordination through ball games.

### **Maths**

This term we will be focusing on:

- Subtraction
- Money
- Length and perimeter.

We will be developing our fluency, reasoning and problem solving skills alongside all of these topics.

### **Science**

During the autumn term we are learning about rocks and fossils. We are refining our investigation skills and what it means to plan a fair test.

### **Art/DT**

We are making Stonehenge silhouette pictures and practising cave art using our hands.

### **Things to do at Home**

- Support your child with completing their homework.
- Read regularly and complete the reading record.
- Use TTRockstars, Sumdog and Bug Club with your child. (They should have logins for these).
