

Friday 17th July Year 3 Home Learning

Hello Year 3,

We have made it to the end of term. This is our last home learning day. There are just a few activities to do today to keep you busy so you don't watch too much television or play computer games for too long !!!

Mrs Carroll and I would just like to say how proud we are of you for the way you have carried on with your learning and doing the activities at home. We know how hard it is to do the work at home and with help from parents and carers you have done an amazing job. We will all be back in school in September and you can start Year 4 properly. We hope you are looking forward to coming back and if you have any questions or concerns about next year please send us an e mail and we will try to help.

Email adrian.lett@stimpson.emat.uk or ashley.carroll@stimpson.emat.uk.

Finally, a special thank you to parents and carers who have regularly sent us work. It was great to see and share what the children have been doing and you have been brilliant in your support of their learning during these difficult times. Have a lovely summer and enjoy holidays,

Best wishes,

Mr Lett and Mrs Carroll.

Task 1 English

Friday is Spelling Test Day. I hope you have learnt them. Here are the lists of words for this week.

List One

should move half boat bath grass push could father eye

List Two

address century experiment holidays although ordinary
heart business particular occasionally

Mathematical Problems

1. Daniel bought 24 Harry Potter cards at the shop. Outside, he met Faye, who had 35 cards. How many did they have altogether?

2. Adam got 70p off his mum. He went to the shop and bought a 20p mix-up. How much did he have left?

3. A bottle of tomato sauce holds 55ml. Luke used 15 ml on his lunch. How much was left?

4. Each side of a square measures 6 cm. How long is it all the way round?

5. It is 10 o'clock. What will it be in 2 hours time?

Summer Reading Challenge

Northamptonshire Libraries are supporting The Reading Agency's Summer Reading Challenge this year. Click on the link to find out more and sign up for this year's on line reading challenge.

<https://www.northamptonshire.gov.uk/councilservices/library-service/children-and-families/Pages/summer-reading-challenge.aspx> (The website has some great ideas to help you.)

Summer Reading Challenge

Every year Northamptonshire Libraries deliver the Summer Reading Challenge for 4 to 11 year olds.

Join in with the Summer Reading Challenge

The Summer Reading Challenge theme for 2020 is Silly Squad. It's all about funny books, happiness and having a laugh!

The Silly Squad is a team of animal friends who love to go on adventures and get stuck in to all different kinds of funny books.

Due to circumstances surrounding Covid-19, this year's Summer Reading Challenge will be delivered completely online.

Oak National Academy lessons will stay on line during the summer holidays. All the lessons can be accessed and you can download a chart to record your progress and the different lessons you complete. The link is: <https://classroom.thenational.academy/year-groups/year-3>
